**Admission.** Former Memphis State College students, who plan to enter the evening program, should notify the Director of the Evening Division to insure that registration materials will be prepared for them. A student transferring from another college will apply to the Registrar for admission, and he will have his former institution send a copy of his transcript to the Registrar. The beginning student must apply to the Registrar for admission and have a copy of his transcript sent from his high school to the Registrar. All application material must be in the Registrar's office by January 21.

**Registration.** All beginning and transfer students will attend an orientation program in the college auditorium Monday, February 4, at 6:00 p.m.

Students whose surnames begin with the letters A-L will register Monday, February 4; and those whose surnames begin with M-Z will register Tuesday, February 5. Those taking day and evening classes will register in their regular turns during the day. Registration for Saturday and evening classes will be held Saturday, February 9. No person will be permitted to register before his turn.

Each student will pick up his registration material in the Records Office (204 Administration Building), and take it directly to his advisor. When the advisor has approved the schedule, the student will procure his class cards from the card center and return to his advisor. After the advisor has inspected the material the student will proceed to the Director of his school. Finally, he will pay his fees.

Fees may be paid (a) by cash or check in the office of the Bursar; (b) by sealing all registration cards and a check in an envelope and depositing it in the box provided in the Bursar's office; or (c) by mailing all registration cards and a check to the Bursar's office. Checks should be made payable to "Memphis State College." Fees should be paid immediately by one of the methods given, as no student is registered for classes until he has paid his fees.

Fees. The regular fees for the Evening Division are:

<u>Residence</u>	<u>12 Semester Hours</u>	<u>'Less than 12 Semester Hours</u>
Tennessee	\$ 60.00 per Semester	\$5.25 per Semester Hour
Out-of-State	112.50 per Semester	9.50 per Semester Hour

Course Changes. Application for change of course are made in the office of the Director of the Evening Division. No course may be added after February 12, and no course may be dropped after March 13.

Withdrawal. Withdrawal from the Evening Division may be effected by advising the Director in writing. Failure to give written notice will result in a grade of "F" in each course for which the student is registered. A student who withdraws after the fifth week of the semester will have his courses recorded as WP (withdrawn passing) or WF (withdrawn failing).

Course Cancellations. Memphis State College reserves the right to cancel courses for which there is inadequate registration.

Veterans' Procedures. Memphis State College is fully approved for training under the veterans' programs.

Veterans entering college for the first time and desiring to use veterans' benefits must apply to "Veterans Administration, 801 Broadway, Nashville 3, Tennessee" for a "Certificate for Education and Training." Korean veterans are responsible for the payment of their college fees. All veterans, after registration, must file schedules of their classes with the Coordinator of Veterans' Affairs in the college Student Center. Each month they must file completed "K-2" forms, and sign the monthly "Certificate of Training Form" to qualify for compensation checks. The dates on which the forms may be picked up and signed are posted on the Student Center bulletin board.

Inquiries about the veterans' programs should be addressed to: "Coordinator of Veterans Affairs, Memphis State College, Memphis 11, Tennessee."
